**Please Note:** This is a tentative schedule and subject to change. Changes will be noted and date stamped at the top of this page.

All skills session placements are alphabetical by last name. After the skill sessions, players will be assigned to a pool that will be assigned an ice time slot within each of the scrimmage sessions. Players may change pool assignments after each scrimmage. This page will be updated with the pool assignments as the tryouts proceed. Please check the website after the skills sessions AND after each scrimmage. The player's placement will be posted by pinny number. Player pools will display as links next to each session time when available. You will need Adobe PDF Reader installed to view.

### **Important:**

- All players **must** complete the [Consent to Treat](#) form in order to participate in the process. Forms will be available at skills sessions check-in.
- Please have your player at the rink 40 minutes prior to their scheduled session. They must be dressed and ready to go 15 minutes prior to their ice time.
- For all tryout sessions, players should wear a white jersey under their pinny.
- Each player should bring their own water bottle.
